

Making our own musical instruments from recycled materials

Our drums

more drums...

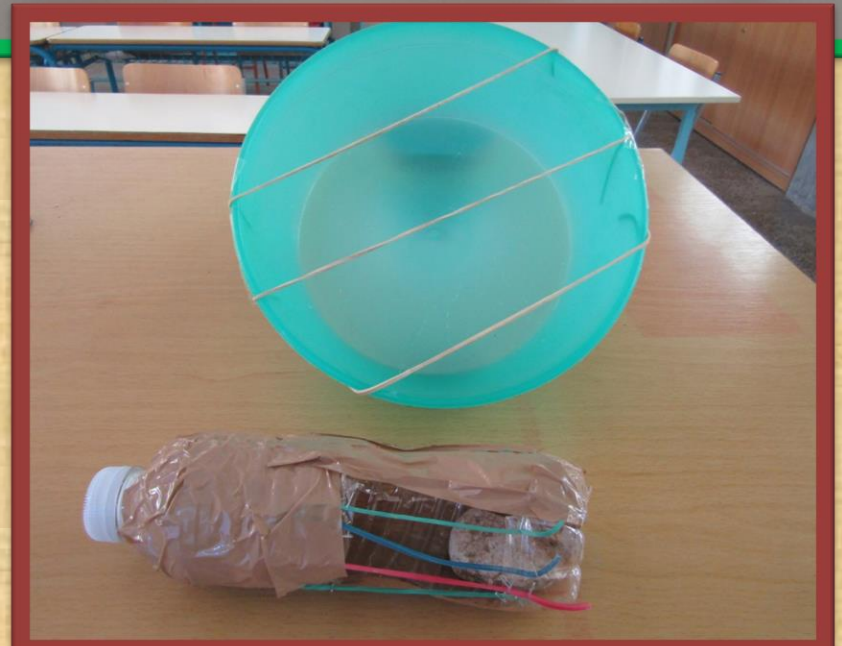

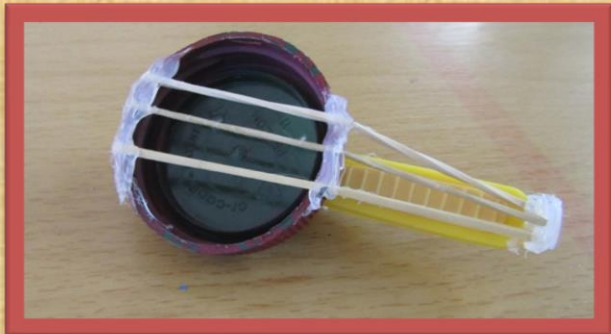

our castanets

our maracas

our string instruments

Kazoos made of a cardboard tube and a rubber band

Cardboard guitar made of a cardboard box, rubber band and strings

Inspired 6th graders make creative instruments

Rainsticks made of a cardboard cylinder with lids and rice

Homemade Maracas: plastic bottle filled with rice and taped pencil to the bottle. Now **SHAKE!**

Our "Recycled Orchestra"

Our "Recycled Orchestra"

'It's the end of the World as we know it and I don't feel fine...' by REM

Pollution
and
devastation

Recycle and
reuse just
think green
and refuse

Pandemic
in
revelation

Animal
extinction and
deforestation

Be nice to
the air we
have to
share

Be a part of the
solution not a
part of the
pollution

Starvation and
dehumanization

Let's go green
to make this
globe very
clean

Green Revolution
is the best
Solution to
remove pollution

Don't be a
fool, make
earth cool

Global warming, a
Global warning
